PAPERS

Skogsberg, K.; Name, Student. "Shake it off or fess up? Athletes perspectives on concussion reporting." *Journal of Sports Psychology*.

RESEARCH

Research Intern, UCLA Brain Research Institute Summer Undergraduate Research Program, San Francisco, CA, Summer 2015

- Assisted post-doctoral researchers in dissecting specimens
- Examined the effects of pH on hypoxic neuronal injury and spreading depression in rodent hippocampal slices
- Catalogued all data utilizing proprietary statistical software and submitted findings to researcher team

Research Assistant, Behavioral Neuroscience Department, Centre College, Danville, KY, Summer 2014

- Assisted Professor Skogsberg in examining the relationship between the sport an athlete plays (e.g. soccer versus tennis) and their wiliness to report that they may be experiencing the symptoms of concussions
- Recruited and scheduling participants, collected all data, and assisted Dr. Skogsberg with data analysis

LEADERSHIP

Resident Assistant, Centre College, Fall 2013-present

- Provide social and educational programming for hall of 22 students
- Enforce college rules and regulations to ensure a safe living environment
- Manage physical and emotional crises, referring students to appropriate resources

PROFESSIONAL ORGANIZATIONS

American Institute of Biological Sciences, student member, Spring 2014-present

Beta Beta Beta (Biology Honor Society), Fall 2015-Present
