

Visiting Assistant Professor of Mathematics

Centre College invites applications for a two-year visiting Assistant Professor of Mathematics to start in August 2012. A Ph.D. in any area of mathematics or a related discipline is required. The successful applicant must demonstrate a serious commitment to excellent teaching. Ongoing scholarly activity, including such work as collaborative research with undergraduates, is encouraged and supported by the college. For more information about the math program at Centre, please visit our website (<http://web.centre.edu/mat/>).

Centre College is a highly selective residential liberal arts college of 1,300 students, listed by *U.S. News* in the top fifty liberal arts colleges in the nation. Classes are small and academic standards are high. The College is located in Danville, Kentucky, a town of 18,000 recognized for its high quality of life. It is within easy driving distance of Lexington, Louisville, and Cincinnati. Centre College is committed to hiring a diverse faculty of teachers/scholars. For information concerning the college, visit our web site at <http://www.centre.edu>.

To apply, please submit a letter of application, an AMS Cover Sheet (<http://www.ams.org/cover sheet>), CV, copies of your undergraduate and graduate transcripts (photocopies are acceptable), three letters of recommendation, and a statement of your teaching philosophy to Ms. Sallie Bright, Centre College, 600 W. Walnut St., Danville, KY 40422. Review of applicants will begin December 1 and continue through mid-December. A short list of candidates will be contacted in December to arrange initial interviews, which will be conducted either by phone or at the Joint Meetings in January. Centre College is an Equal Opportunity Employer.
