

# 2024 Centre College Commencement Custom Stole Guidelines

---

We are pleased to offer the opportunity for each member of the Class of 2024 to create their own custom stole.

Graduates can choose from images and design elements to reflect their identity, participation in athletics, Greek life, student government, approved campus organizations, scholarship cohorts, and more.

Please refrain from embellishments that include profanity or may be offensive to others.

Several campus groups and scholarship organizations create group stoles. Check with faculty/staff mentors before designing your stole.

Note: All stoles and regalia adornments must be school-approved and must not disrupt the formality of the occasion. We believe that these guidelines are necessary to ensure that our commencement ceremonies are respectful and dignified. We also understand that our students have the right to express themselves, and we hope that you will use this opportunity to personalize your graduation stole in a tasteful and appropriate manner. Students not in compliance with this policy will be asked to remove any unapproved stole or adornment.
