Weston Lee Brown was born and raised in Kansas City, Missouri. He came to Centre in 2019 on the James Graham Brown Fellowship. At Centre, Weston majored in Philosophy and History, with a minor in Classical Studies. He held positions in several student organizations on campus, including the Student Government Association, the Student Judiciary, the John Marshall Harlan Pre-Law Society, Beta Theta Pi, and Phi Beta Kappa. After graduation, Weston will be pursuing a J.D. at Columbia Law School in New York City, after which he hopes to become a public defender. Weston is incredibly grateful for the friends and mentors that made his time at Centre so amazing.

### **Melissa Perello**

Melissa is a senior BNS major and Bonner Scholar from Louisville, KY. She volunteers regularly at the After School Program as a parent contact and with Centro Latino where she works with the local Latino community to provide better healthcare and educational opportunities. She has participated in BNS research with Dr. Godlaski, is the president of the BNS/PSY club and the "senior-at-large" for the Pre-Health Society. After graduation, she plans on taking a gap year back in Louisville to work as a CNA as well as a case manager for a pharmaceutical company.
